

Workgroup Selection Scoring Sheet for Evidence Analysis Workgroups

Approved 11/13/14

Directions: One form is used by each reviewer per workgroup. Evaluate each candidate on every criterion listed. Score each candidate using 0 - 2 for each criterion, **0** (lowest) and **2** (highest). Excel will compute the total score of criteria for candidate. The lower scoring candidates may require further discussion. Higher scoring candidates may be considered for position of workgroup chair/co-chair. Under Summary and Chair Criteria, see each item for directions on coding.
